Onee-cha...
Ehehe.
Sorry, my bad!
That always happens because you keep spacing out
Stop being so careless and get ahold of yourself!
...I'm going on dates!

My relationship with my sister hasn't been going well lately...
When I was younger, I didn't even want to be sperated from her even for a minute...
Before we would go to sleep I would cry even though I was in her bed...
There is always a ton of people around her because she's so sociable...
I started to feel like she wasn't just my "Onee-chan" anymore...
It became hard to be by her side...
I finally noticed it, my feelings are...

not what they were back then...
Welcome home!
After what happened this morning, it's hard to go inside...
I'm worried
So I made dinner tonight, take a seat and just wait 'kay!
Today Mom and Dad are out!
wha...
a funky aroma
But
Since I've had Onee-chan's cooking
It's been a while

Kya!...
Fumi! It's almost done~
Oh Sorry~
It's fine I just dropped the water~
IDIOT!!
Go put some cold water on it!!
Why are you always like that!?
Always!
Every single time!
That was really dangerous!
Fumi, you're so nice aren't you, thank~
Ehehe~ sorry, my bad~
Fhu~

Do you know how much I worry about you!?
Hey
Do you love me Onee-chan?
Sorry
Ha!

I want to be the only one with Onee-chan...
When I think that those feelings are gross...
I get scared...
There's another reason
But, when I'm being nice to Onee-chan it's completely different...
I love you Onee-chan...
Fumu...

I'm so glad...
I love you too Fumi
I want to be with Fumi
I was so worried that you hated me this whole time.
To be honest, Today while mom and dad were out I was going to make your favorite foods, and I thought that might make you pretty happy
KYA!
And if, maybe by chance, that worked I would be able to s-spend the night in Fumi's room or something. Kya! this is so embarrassing!!
E-Enough!!
